

INVITED DONATIONS FOR RECONSTRUCTION OF HOUSES IN FLOOD AFFECTED NORTH KARNATAKA

SKDRDP has decided to join hands with the government in shifting of perennially flood affected villages to new locations. For this purpose SKDRDP is making its own contribution.

However, lakhs of families have lost their houses due to the flood in thousands of villages.

In **Dharwar, Haveri, Gadag and Uttara Kannada** district we have estimated **36,000** houses which are either completely or partially destroyed. These houses have to be reconstructed in the same locations and not shifted. We have estimated a requirement of **Rs. 83.00 crores** for this purpose. Govt. has a grant component. However, that will not be sufficient. Taking into consideration the govt. assurance for support the gap is expected to be around **Rs. 45.00 crores**. We have already started constructions. We appeal to everybody to contribute liberally to SKDRDP flood affected reconstruction project "**Swayamnirmana**".

For details please contact

Dr. L. H. Manjunath, Executive Director at +91-9448469009.
